BERGEN COUNTY UTILITIES AUTHORITY

P.O. Box 9, Foot of Mehrhof Road, Little Ferry, New Jersey 07643

PUBLIC HEARING NOTICE

On January 10, 2023, The Bergen County Utilities Authority, the agency responsible for the implementation of the Bergen County Solid Waste Management Plan, as amended, shall hold a public hearing relating to a proposed amendment to the Bergen County District Solid Waste Management Plan.

The hearing shall be held on January 10, 2023 at The Bergen County Utilities Authority, Administration Building, Foot of Mehrhof Road, Little Ferry, New Jersey, at 11:00 AM in the Public Meeting Room. A draft copy of the proposed Amendment will be available after December 15, 2022 at The Bergen County Utilities Authority Administration Building, Foot of Mehrhof Road, Little Ferry, New Jersey; and The Bergen County Utilities Authority web site at www.bcua.org.

The following proposed Plan Amendment will be considered:

The Bergen County Solid Waste Management Plan is proposed to be amended to include a revised ten-year solid waste management and funding strategy for Bergen County as follows:

- Implementation of certain solid waste management procedures to ensure the necessary funding for the operation and maintenance of the Bergen County Solid Waste Management District solid waste system. These procedures shall include the implementation of a solid waste flow control system utilizing a competitive contract process for the provision of disposal services as a concession in accordance with the Local Public Contracts Law.
- The addition of Steel Containers as a mandatory recyclable for the commercial, institutional, and industrial sectors.
- The designation that all non-operational, permitted in-county facilities shall remain in the Solid Waste Plan, allowing them to remain available as a source of additional capacity within Bergen County.
- Amendment to transfer station transfer trailer traffic routes as follows:
