

EXPANDED ACCESS TO TESTING SEE BELOW

Where: The county operated site is located at: Bergen New Bridge Medical Center at 230 East Ridgewood Avenue, Paramus, NJ. This is an APPOINTMENT ONLY site.

Who: This site is open to Bergen County residents who are symptomatic; this site will continue to serve first responders and healthcare professionals who live or work in Bergen County as well.

Symptomatic Bergen County residents, first responders or healthcare professionals must provide photo identification proving their residency and/or professionals to provide qualifying photo id.

NEW!! The Bergen County operated site is now open to all municipal employees who work in any of our 70 municipalities regardless of residency. Proof of employment within the municipality required. Also, open to ALL Bergen County employees regardless of residency with proof of employment; individuals must be *symptomatic* and must follow the below steps.

How:

OPTION 1. Residents must first be screened by completing a brief survey located at <https://www.newbridgehealth.org> and evaluated by a Telehealth doctor. Patients will then be given a confirmation code number to present at the drive-thru testing site that corresponds with their appointment.

OR

OPTION 2. Patients with orders (prescription) from their private physicians have expedited scheduling.

Log into portal:<https://www.newbridgehealth.org/>

Follow link to COVID screening and follow prompts to upload a doctor's order (prescription) into the system.

More information is available at: <https://www.newbridgehealth.org> and at <https://co.bergen.nj.us/>

WHEN: By appointment 7 days a week

***** Please note that this is a County operated site and is separate from the FEMA site located at Bergen Community College in Paramus.**
