NJ Transit Subrecipient ADA Compliance

REASONABLE MODIFICATION

The Township of Teaneck recognizes that disabilities are as diverse as the individuals they serve and recognizes the need to make reasonable modifications to its policies, regarding assistance offered to passengers who may require additional assistance to use its services.

Under Title II of the ADA, state and local governments are required to make reasonable modifications to policies, practices and procedures where necessary to avoid discrimination.

For those riders who require additional assistance, the Township Recreation Department will endeavor to accommodate all reasonable modification requests for such assistance by following procedures outlined below:

1. Riders must inform the Township Recreation Department, Transportation Coordinator of the need and specific type of additional assistance requested at the time ride reservation is made.
2. Reservationist will advise the Drivers of the specific rider need/request and determine the resources required to accommodate rider.
3. If the Driver deems the service requested to be unreasonable to perform or to repeat on a regular basis, he/she must cite specific reasoning to support the finding and inform the Transportation Coordinator.
4. If the Transportation Coordinator concurs with the finding of the Driver, the rider must be so informed via phone call at least 48 hours before the requested/scheduled trip.
5. Riders may appeal any such decisions by following established ADA grievance procedures. Complaints that a township program, service or activity is not accessible to persons with disabilities should be directed to Teaneck Township Manager at 201-837-1600 ext. 1003.
