The Honorable Mark Schwartz
Mayor, Township of Teaneck
818 Teaneck Road
Teaneck, NJ 07666

Dear Mayor Schwartz:

The New Jersey Department of Transportation continues its Commitment to Communities Initiative to help local governments succeed in delivering transportation projects. In line with this initiative, I am pleased to inform you that Township of Teaneck has been selected to receive \$900,000.00 in Transportation Alternatives Set-Aside Program funding for the Queen Anne Road Streetscape Project.

The Transportation Alternatives Set-Aside Program is being administered by the New Jersey Department of Transportation (NJDOT), in partnership with the North Jersey Transportation Planning Authority (NJTPA), the Delaware Valley Regional Planning Commission (DVRPC), and the South Jersey Transportation Planning Organization (SJTPO). The goal of the Transportation Alternatives Set-Aside Program is to provide federal funds for community based "non-traditional" surface transportation related projects designed to strengthen the cultural, aesthetic, and environmental aspects of the nation's intermodal system. The Transportation Alternatives Set-Aside Program has proven to be very popular and extremely competitive. This year 67 applications were received totaling more than \$93 million. The Department was able to fund 43 projects based on available funding.

As indicated in our application process, your project should be authorized for implementation within two years of the date of this letter. In addition, the project must be authorized prior to incurring any project related costs that will be reimbursed under this program. Failure to do so will jeopardize your funding. As with all federally funded programs, the funds will be dispersed on a reimbursement basis.

Additionally, all recipients of federal and state grants are required to comply with the provisions of Title II of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973.
