## Summary of Proposed 2022 Municipal Budget

SUBJECT: Summary of the Proposed 2021 Municipal Budget

DATE: March 10, 2022

Enclosed please find a copy of the proposed 2022 Proposed Municipal Budget and the 2022 Capital Budget and 6 Year Capital Plan.

Below please find a summary and analysis of the 2022 Proposed Municipal Budget:

	2022	2021	\$	%

Surplus Anticipated*	\$ 6,970,000.00	\$ 6,312,500.00	\$ 657,500.00	10.42%
Miscellaneous Revenues	\$ 10,018,316.02	\$ 8,354,105.84	\$ 1,664,210.18	19.92%
Receipts From Delinquent Taxes	\$ 650,000.00	\$ 925,000.00	\$ (275,000.00)	-29.73%
Municipal Tax Levy	\$ 59,144,382.59	\$ 56,756,525.21	\$ 2,387,857.38	4.21%
Total Revenues	\$ 76,782,698.61	\$ 72,348,131.05	\$ 4,434,567.56	6.13%

\*Includes \$970,000.00 in appropriations to be canceled from Tax Appeal Reserve (\$500,000) and unused Capital Ordinances (\$470,000).

The estimated average assessed valuation of a home in Teaneck is \$387,405.00. Preliminary calculations indicate that the combined annual municipal tax and municipal library tax on the average home will rise approximately \$69.20 in 2022 with this proposed budget, or a tax rate increase of 1.70%.

The Division of Local Government Services implemented the Property Tax Levy Cap (P.L. 2007, c.62) at 2% subject to certain exclusions and variables. With the budget information available at the present time, preliminary analysis indicates that the proposed budget will be under our allowable cap.

Final budget is dependent upon:

1. Council determined 2022 Municipal Budget Appropriations
2. Surplus available for 2022. Additional surplus funds will be utilized through the cancellation of unspent appropriations (Tax Appeal Reserve) and the cancellation of unused Capital Ordinances.
3. State Aid allocations for 2022 may remain flat, barring the passage of NJ Senate Bill 330. The Township anticipates receiving its second tranche of stimulus funds through the American Rescue Plan Act of 2021.

**Mandatory: Attorney General Guideline (Property and Evidence Function)**

The property and evidence function is an integral part of every law enforcement agency. Every day, police officers come into custody of lost or stolen property, contraband, and any manner of evidence. The law enforcement agency is charged with establishing a system for the secure and efficient classification, inventory, retrieval, and disposition of these items. To accomplish this goal, the law enforcement agency must specifically:

- \* Establish a system of documentation to track property from its receipt to its eventual disposition
- \* Establish a secure and orderly storage facility to meet the needs of the particular agency.
- \* Establish a property officer to be responsible for the Department's property and evidence function.
- \* Provide for periodic and special audits of the contents of the property storage facility to ensure continuing accuracy.
- \* Provide for the proper and timely disposition of property and evidence.

<u>Justifications</u>	
1	A complete audit/full inventory of the space was performed by Property Room Consulting in 2021. In order to ensure compliance for accreditation, and have an independent third party perform annual audits, we will need to contract a specialist. In compliance with the Attorney general and pursuant to the Criminal Justice Act of 197, N.J.S.A. 52:17B-97 et seq., effective January 1, 1991 and subsequent revisions, it is directed that all New Jersey Law Enforcement officers shall follow the Semi-Annual Firearms Qualification and Requalification Standards and all New Jersey Law Enforcement agencies shall adopt such standards as agency policy.

Officers must continue to qualify twice annually following the procedures and requirements contained in the manual. These procedures do not prevent individual agencies from conducting additional in-service firearms training. Agencies are encouraged to conduct supplemental training to meet special needs of their personnel. This directive is being issued to ensure the safety of law enforcement officers as well as promote the public safety and ensure a high level of public confidence and integrity of our law enforcement personnel in the performance of their official functions. This directive is to be distributed to and adopted by all law enforcement personnel within the state.

<b>Justifications</b>	
1	Officers are required to qualify twice per year on the handgun and UMP. Said qualifications involve approximately 8,000 rounds of duty ammo and a total of 60,000 practice rounds. Duty ammo is approx. \$200 per case of 500, practice ammo is approx. \$135 per case of 500.
	In addition members have to qualify with sub-gun and rifle. Total rounds required for qualifications are about 68,000. Please note we also utilize ammunition for classes such as tactical pistol, firearms instructor, UMP instructor, and basic recruit class. We purchase ammunition via state contract from Atlantic Tactical and/or other authorized vendors. It is critical that we maintain an adequate inventory as demand is high and supply is low.
	The bullet manufacturers have limited production runs and ammunition is routinely backordered.

1	The Auxiliary Police Unit was formed in 1941 under the Civil Defense Act as a means to assist the Police Department in times of war. Its function was to provide the authorities with trained personnel that could direct the public to shelters and control traffic. This program has evolved into today's Police Auxiliary. The Auxiliary Police play an important role in assisting Police Departments during times of emergencies. The Teaneck Police Auxiliary is a 100% volunteer organization made up of men and women who want to serve their community. This is a non-armed unit. Some duties include, but are not limited to, traffic and/or crowd control, security, evacuation assistance, transportation, assisting with parades, , football games, street fairs or any viable function during an emergency. In March of 1998, the Township Council approved the implementation of an Auxiliary Police force in the Township of Teaneck. A Standard Operating procedure (SOP) was established for the Auxiliary Police in the Township of Teaneck.
